

~ WRH40106 ~
Certificate IV in Hairdressing
(Local Australian Students)

General

This course is for people who want to work in men's or women's hairdressing. The course has been designed to offer training to hairdressers or those who have completed Certificate III in Hairdressing. You will learn advanced cutting, colour, chemically reform and long hairstyles on live models and clients. You will also learn about safe work practices and after care, which includes discussing the needs of your client and styling according to their needs. Speciality areas for stage included in this course are face make-up artistry, basic photography, hairpieces and extensions. This course is nationally recognised qualification. You can apply for positions Australia wide and around the world upon successful completion of this course.

The course is delivered at the College's hairdressing facilities in Granville, Sydney NSW. These sites are close to public transport and shops.

Who Should Study this Course?

This course is designed for students who wish to work as a colourist, technical advisor for a manufacturer, wedding stylist, make-up artist, in-house commercial hair salon trainer, film, theatre, cruise ships, or to eventually open their own hair salon. The Productivity Places Program is an Australian Government initiative that provides funding for this course to persons who fulfil their required criteria.

Career Opportunities

On successful completion the course, student may be able to work as salon hairdresser, freelance hairdresser in film and stage productions.

Equipment and Materials

All students will be provided with required equipment and materials including text books.

Teaching Methods

The course is delivered through the use of lectures, demonstrations, visual aids, observations, practice and critiques. The course is taught in two phases basic training and salon sessions. The basic training session includes classroom presentation, lectures, and introductions for the theory. The salon session is conducted at the college built-in hair salon including demonstration, hands-on experiences to contextually generic subjects. Some training at the college virtual salon is also required for real life supervisory experience.

Teaching Resources

- Hair salon: Practical classes are conducted in our real Hair Salon Studio
- Students will be provided with hair products and equipments to work on hair
- Computer labs: where the students have access to one on one networked computers with Internet access. Also, the students have access to printers and photocopiers
- Lecture rooms: All lectures are conducted in the classrooms, which are equipped with modern audio-visual facilities.
- Qualified and industry-experienced trainers
- A friendly learning environment

Uniform

Students are required to wear smart attire and inclosed shoes at all times while attending the college.

Assessment Methods

Assessment is both formative (competency determined over a period of time and activity) and summative (competency determined immediately after session delivery). Assessments may include, but are not limited to theory assessment, analysis sheets, portfolios, practical observation and project related assessments.

Recognition of Prior Learning (RPL)

Have you worked or studied in this field before? RPL allows you the opportunity to be recognised for skills, experience and study that you may have already attained. To gain RPL you will need to contact the college for our RPL kit which will guide you through the process of presenting your evidence to us. RPL will only be granted before the start of the course, or within the first two weeks of starting of the course.

There is a fee for the RPL service which is detailed in the RPL kit.
